Kinaros

07 Jan 2025 20:37:41 GMT
16 hours ago

Lat/Lng: 26° 1' 42" N / 96° 42' 30" W

Draught: 8 m

Speed: 6.4 knots

True Heading: 336

Course Over Ground: 305

A map showing the movement of a vessel named 'Kinaros'. The map has a light blue background. A series of orange arrows connected by a dark blue line shows the vessel's track, starting from the bottom and moving upwards and then to the right. A white popup box with a close button (X) is positioned over one of the arrows. The popup contains the vessel's name 'Kinaros', the timestamp '07 Jan 2025 20:37:41 GMT' and '16 hours ago', the coordinates 'Lat/Lng: 26° 1' 42" N / 96° 42' 30" W', and other details: 'Draught: 8 m', 'Speed: 6.4 knots', 'True Heading: 336', and 'Course Over Ground: 305'. In the top right corner of the map area, there are two small icons: one showing a grid of map tiles and another showing a satellite view of the area.
